## ULAB Completes External Peer Review

The five degree offering entities of University of Liberal Arts Bangladesh (ULAB) underwent External Peer Review (EPR) from 9 to 17 May 2018. The objective of External Peer Review was to validate the self-assessment report and provide guidance as to the further improvement of each program. The process was intense given that there are 9 criteria and 52 standards set by the University Grants Commission (UGC). As a part of External Peer Review, the reviewers read the reports, observed classes, visited the facilities, conversed with stakeholders, questioned administrators, checked websites and pored over the documents.
