ULAB Holds Academic Policy Review

The Institutional Quality Assurance Cell (IQAC) of the University of Liberal Arts Bangladesh (ULAB) organized an Academic Policy Review Workshop on 23-24 November at BRAC CDM, Savar. The objective of this workshop was to support the improvement plans of the various degree granting departments. The other objectives of the workshop were to: assess the applicability of improvement plan/policy recommendations for all academic departments, check consistency of improvement plan/policy recommendations with past academic policies, discuss how to implement the improvement plan/policy recommendation, set the priority level of the improvement plan/policy recommendations, and recommend improvement plan/policy recommendations for approval of the

Academic Council.

On the first day, the workshop started with the welcome speech of Prof. H M Jahirul Haque, Vice Chancellor of the University; followed by the discussion on introduction, mechanics and house rules. The second institutional quality assurance survey findings were then presented by Dr. Jude William Genilo, Director of IQAC and Mr. Mehdi Rajeb, Assistant Professor of ULAB School of Business. On the second day, workshop participants were divided into various groups. Each group was assigned to discuss policy recommendations found in the SAR, EPR and Improvement PIan. The workshop ended with the closing words of IQAC Director; Professor Imran Rahman, Special Advisor to BoT; Professor Shamsad Mortuza, Pro Vice Chancellor; and ULAB Vice Chancellor.

Workshop on Governance Held

The Institutional Quality Assurance Cell (IQAC) of the University of Liberal Bangladesh (ULAB) organized a workshop on Governance on 15 November 2018 at the Seminar Room, Campus-B. All new ULAB faculty members attended the workshop. The workshop started with a welcome speech by the IQAC Director, Dr. Jude William Genilo; followed by a session on Principles of Governance which covered the following: background of the university; colors of ULAB disciplines; vision, mission and goal statement; values of the university; and guiding principles. The second session was on the Organs of Governance; which covered the following: government mandated committees; committees relating to human resource; officers of the university; and organogram of the university. The workshop was facilitated by Director of IQAC along with Dr. Shahriar Rahman, SAC Chair of the Department of Computer Science and Engineering.

CSE Holds Workshop on Outcome based Accreditation

The Self-Assessment Committee of the Department of Computer Science and Engineering (SAC-CSE) organized a workshop on "CSE Outcome Based Curriculum" on 29 November 2018. Dr. Mohammad Shahriar Rahman, Associate Professor and Chair of SAC-CSE delivered the welcome speech and conducted the workshop. The workshop was attended by the full time and adjunct faculty members along with the administration officers. The resource person of the workshop was Prof. Dr. AKM Muzahidul Islam of the Department of Computer Science and Engineering, United International University. He discussed the eligibility criteria under the Washington Accord and importance of the accreditation, program education objectives and final year project design. Faculty members were encouraged to share their opinions during the workshop. The workshop ended with the vote of thanks by Dr. Mohammad Shahriar Rahman, Associate Professor, Chair, SAC.
